Lighting Bright Medium Dim SOS Breaker Charger

Your brightest friend in an emergency

WHITE Light Diffuser

RED Light Diffuser

The Ventus SuperLite is a 3W Cree rechargeable torch made from high strength aluminium.

SuperLite is also capable of charging mobile phones via the integrated USB socket.

The kit includes screw on light diffusers to enable the product to be used as a cordless inspection lamp / camping lamp or as an emergency warning light.

A glass breaker is also included.
